CHEMISTRY

brumini

Fine & Specialty chemicals are generally perceived as standard fit for all offering. Today, customer wants these chemicals as custom-built, custom-packed to their requirements. Our MAX series is a portfolio of fine & specialty chemicals that go beyond what is standardly available and provide 'customized solutions' as per the client's needs

CUSTOMIZED AS PER YOUR NEEDS...

- § Customized impurity profiling and quality control
- § Customized packaging options
- § Customized inventory point creation in supply chain
